

Little blue rhino

Bum, bum, bum, bum...8 X

Vers: A little rhino is chasing the cat
Grandpa got startled, and dropped his hat
It's bumping into everything
Just like a boxer in the ring
Grandma's screaming: 'Holy Moses!'
The beast is trampling down my roses

Bum, bum, bum, bum...4 X

Chorus: A little blue cuckoo rhino
There's a little blue rhino in my garden
A little blue cuckoo rhino
There's a rhino gone wild in my garden

A little blue cuckoo rhino
There's a little blue rhino in my garden
In my garden, in my garden, in my garden

VERS: The neighbour Bob comes running in
And stumbles into a big trash bin
Glides and falls into the pool
In his babouche from Istanbul

This whole thing is looking grim
'Cause Bob don't know how to swim

Bum, bum, bum, bum...4 x

The little rhino is finally slowing down
Bob went away with a frown
Grandma and grandpa both chuckle
This little blue thing was really trouble
What a crazy and hilarious day
Maybe the rhino just wanted to play

Chorus: A little blue cuckoo rhino
There's a little blue rhino in my garden
A little blue cuckoo rhino
There's a rhino gone wild in my garden

A little blue cuckoo rhino
There's a little blue rhino in my garden
In my garden, in my garden, in my garden
