

I Miss My Mom

Chorus: I miss my mom
Miss my mom
Her hugs and her smile
I miss my mom

Oh mom, where are you?
Oh mom, come back to me
Oh mom, call my name
Oh mom, come back to me

La la la la ... 2 x

Verse: I might be small, but I'm brave and strong
Nothing holds me back, I'll keep moving on
Till I find my mom – there is no maybe
Though I'm only four - I'm no crybaby

Oh mom, where are you?
Oh mom, come back to me
Oh mom, call my name
Oh mom, come back to me

La la la la ... 2 x

Hey, hey friends, help me find my mom
Together we can do it - just stay calm
You know she's big, big as a house
Don't be afraid though you're a little mouse
