

## Pretty Little Curly Top

Pretty little curly top, where are you from?  
You are so sweet - your brown eyes are shining  
Pretty little curly top, let's be friends  
Come hold my hand – there is so much to explore

Are you from Africa, Africa?  
The land of smiles and joy  
Are you from Africa, Africa?  
Share all your dreams with me

Pretty little curly top, come on, let's go!  
Tell me all about you, I really want to know  
Pretty little curly top, it's such a great day  
The magical rainbow will lead us on our way

Are you from Africa, Africa?  
The land of smiles and joy  
Are you from Africa, Africa?  
Share all your dreams with me
