

The Land Of Chocolate

Oyo yo yoe
Oyo yo yo yo yoe x 2

Verse:

Come and feel the African breeze
On this great continent, cocoa grows on trees
Circleen and her friends like adventures
Let's go and discover new treasures

Coco has a crown – she is a princess
She looks so cute in her fine yellow dress
Frederik is happy and giggling
Ingolf loves food - he is always nibbling

Chorus:

We're going to the land of chocolate
That's why we're so happy today
We're going to the land of chocolate
With Circleen and her friend Coco

We're going to the land of chocolate
That's why we're singing out loud
We're going to the land of chocolate
With two mice and a little rhino

Oyo yo yoe
Oyo yo yo yo yoe x 2

Verse:

Little rhino hurry up - it's getting late
We're off to Africa today
We're in for treats at Coco's birthplace
So we've got to bring a big suitcase

It was such fun in grandpa's plane
Coco's happy, 'cause she is home again

This is the best candy dream
Look! - Trees with huge cocoa beans

Chorus:

We're going to the land of chocolate
That's why we're so happy today
We're going to the land of chocolate
With Circleen and her friend Coco

We're going to the land of chocolate
That's why we're singing out loud
We're going to the land of chocolate
With two mice and a little rhino

Oyo yo yoe
Oyo yo yo yo yoe x 2
