**- a musical fairytale for children and adults**

**Moussa Diallo Trio**

**Moussa Diallo: Bass, vocal and storytelling**

**Preben Carlsen: Guitar, vocal**

**Salieu Dibba: Percussion, vocal**

It's nighttime in Mali. The moon and the stars light up the sky, while the children in the village of Koulikoro are being entertained with songs and fairytales.

Moussa's trio recreates the magical atmosphere he himself experienced as a child when the elders in the village used to tell stories. Moussa passes on the stories and the music, taking his audience on a journey into the Malian world of fairytales. All of them taken from his first book, which is soon to be followed up by a series of new stories and songs.

Combining music and singing, Moussa mesmerizes his audience using the old tradition of telling stories, adapting them to our modern society. Children as well as adults are encouraged to interactively take part in the performances, and the entire family can look forward to a great experience all together.

Moussa Diallo Trio performs for children, teachers and parents in schools, cultural centers, festivals and other venues
