‘Circleen, Coco and the Wild Rhinoceros’

Line up:

Moussa Diallo: Bass, vocal
Preben Carlsen: Guitar, vocal
Salieu Dibba: Percussion, vocal

Following the film ‘Circleen, Coco and the Wild Rhinoceros’, the multi awarded Moussa Diallo has released a brand new album with songs about Circleen and her friends.

With his renowned talent for rythmical composing and storytelling, Moussa has created an album that invites the listener into a warm universe of stories and African inspired music.

Recorded as well as live, Moussa has a presence that captivates children as well as grown-ups. His infectious joy is an open invitation to join the gathering around the songs and the stories.

Along with his musicians, Moussa provides a wonderful show of music and storytelling that includes the children in the wonderful universe of Circleen and her friends.

Performances can be provided in French, Danish, English and Swedish.
